

Adath Israel Membership Form 2010-2011

Our synagogue provides the opportunity for its members to join together in prayer, holiday observances, youth programs, educational opportunities, life-cycle events, and community services and support. Additionally, these services and events need to happen in a facility in good repair supplied with heat, water, electricity, and man-power.

Adath Israel relies on you to provide support to the congregation for these things through your membership pledge. Please think deeply and decide the most meaningful contribution you can make through your annual dues pledge. Through your membership contributions we are able to continue to create new and dynamic programming.

Membership at Adath Israel includes:

For a **Family Membership**: 2 High Holy Day adult seats, plus seats for children aged 18 and under.

For an **Individual Membership** : 1 High Holy Day seat

Members also receive discounted rates for guest High Holiday seats.
