

Communal Seder at Adath Israel

Last year's Communal Pesach Seder was a huge success, and we are excited to have a first night Seder again this year! It's a communal Seder with a family feel. Join Rabbi Strulowitz and his family, and the entire community for a fun, educational and inspirational Seder. Catered by Chef Tanya, we will enjoy a scrumptious meal. So take a break from cooking, and celebrate our freedom together. Reserve your own table for family and friends, or join others and make some new friends.
